Directly from Nonprofits

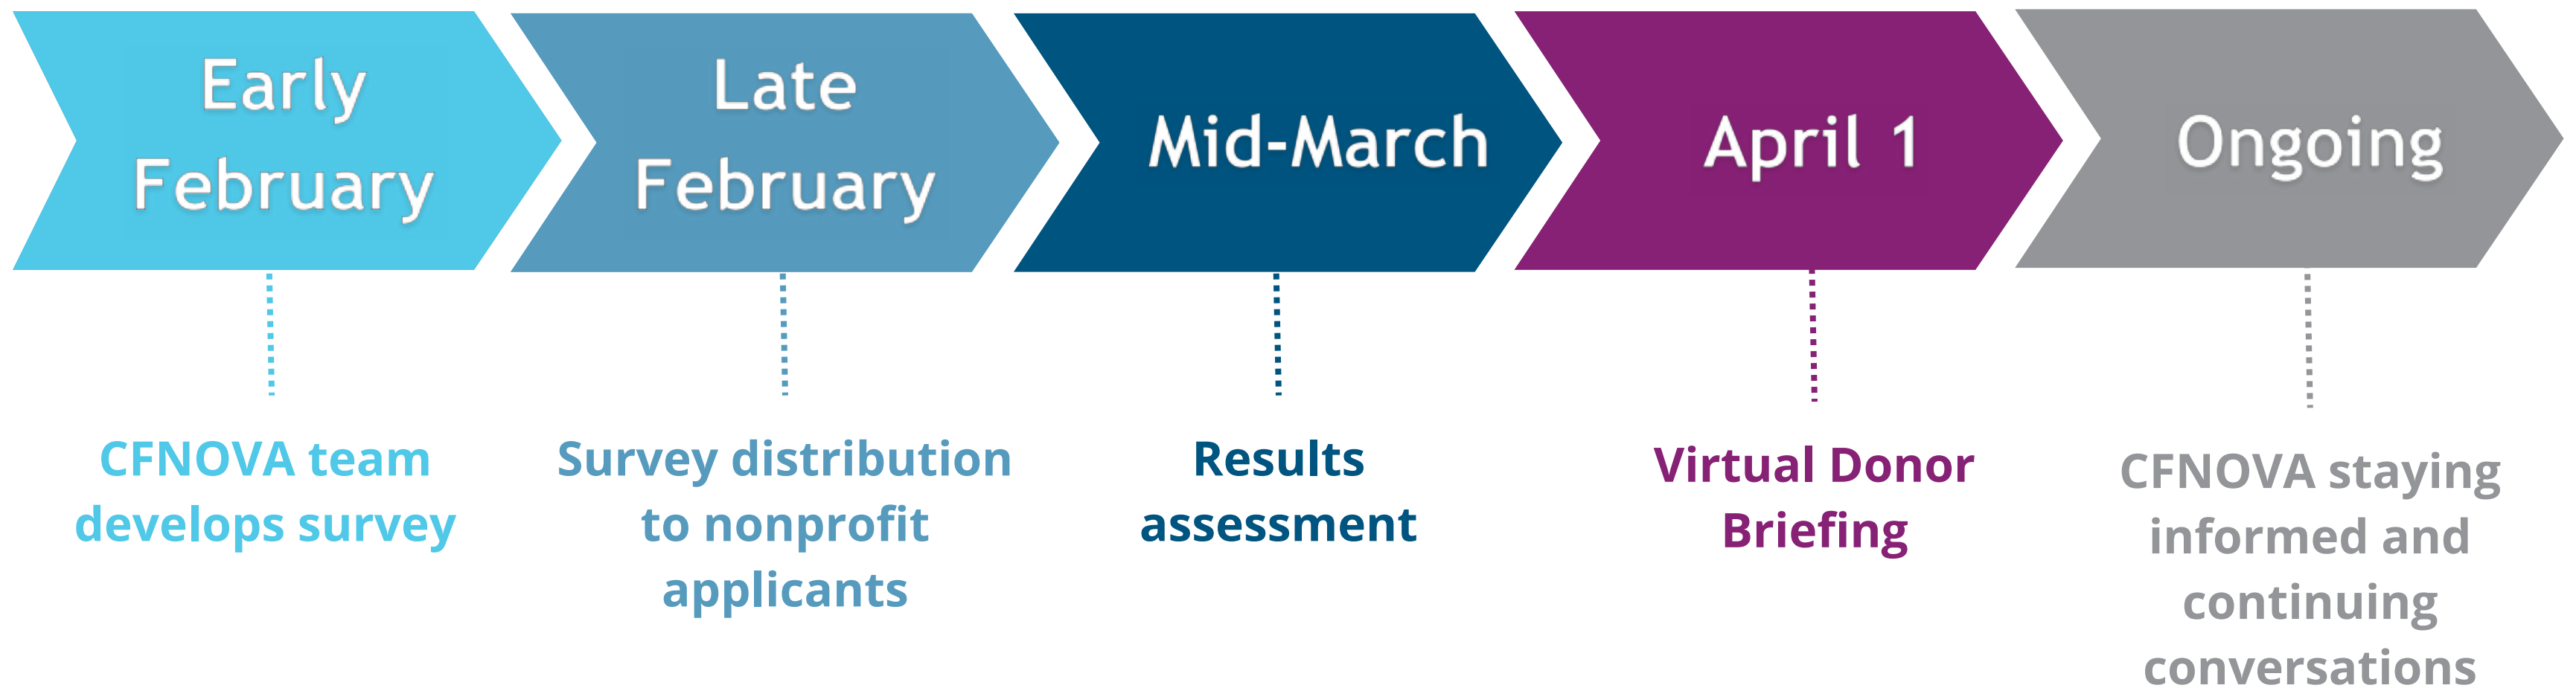

"Without sustained federal support, people who depend on us for affordable vision health services will be left without the critical care they need to live longer, safer, and more fulfilling lives."

"Loss of HUD subsidy would cut 40% of our funding. While we would exist at as a smaller nonprofit, 400 formerly homeless individuals will return to homelessness"

"If our partner organizations continue to lose their grants, our pantry will no longer be able to offer produce."

"Prolonged funding gaps (i.e., more than 6 months) could force immediate reductions in services, particularly for Title I and rural schools that rely on our STEM education initiatives."
