

GRANTS FAQ's

This FAQ document contains information about the Community Foundation for Northern Virginia's spring 2024 grant cycles which include the Community Investment Funds, The Ross-Roberts Fund for the Arts, and the Environment Fund.

Community Investment Funds (Visit <https://www.cfnova.org/grants-and-scholarships/grants/community-investment-funds>)

The Community Foundation accepts funding requests in the following categories: Aging, Child & Youth Development, Education, Intellectual and Developmental Disabilities, Lamond Fund to benefit Children and Youth in Alexandria and Fairfax County, The Latino Engagement and Achievement Fund (LEAF), Mental Health, Military Personnel & Their Families, and Safety Net Support. The application is for general operating support.

Can I access a PDF copy of the application in advance to work on a draft of our responses?

For a PDF copy of any grant application, an Applicant should log in to Foundant, click on the Preview button, then click on Question List button.

Can you define what "General Operating" funding means for the Community Investment Funds cycle? Can it be related to a program?

General Operating funds are for anything that will help your organization and that it is up to you to determine how to best use the grant. It is intended to be very flexible and can be used for operating support or a program.

Can national, state-wide and/or regional organizations apply for funding, even if they have only specific programs focused in your service area?

National, state-wide and/or regional organizations are eligible for funding, as long as the organization serves residents in Northern Virginia.

Are there restrictions based on geography for any of the open funding cycles?

All 501c3 organizations that provide services in the Northern Virginia region are eligible for grants. The Community Foundation service area includes Arlington, Fairfax, Loudoun, and Prince William Counties, and the Cities of Alexandria, Fairfax, Falls Church, Manassas and Manassas Park.). The only exception is the Lamond Fund for children and families, limited to organizations along the Route 1 Corridor in Fairfax and Alexandria.

Can our organization apply for a grant through one Community Investment Fund area as well as through the Arts or Environment Funds?

No, only one application per applicant will be accepted across all of these funding opportunities. Select the area with which you feel you have the best fit.

Would a music therapy program be appropriate for the Mental health fund?

Yes.

For organizations that provide food to students, the only funding avenue is the Lamond Fund for Children & Youth. Is this correct?

Lamond Fund is for basic needs. Child and Youth and Safety Net are not eligible for food funding.

When is the grant award meant to be utilized?

The 2024 grant will be awarded by May 1, 2024 and should be utilized by June 30, 2025.

Do organizations have to meet a certain operating budget to apply?

Please refer to the criteria listed on each grant application cycle at www.cfnova.org/grants.

If we submitted an application previously, has our login information changed or anything we need to know about navigating the system?

No, your login has not changed.

Will applications be considered from an all-volunteer organization if there are no paid staff members?

If your organization is a 501(c)3, you are eligible to apply.

Are there any restrictions for previous grantees?

No. As long as previous year's grant reports have been submitted, you are eligible to apply.

Can you please confirm the focus areas?

Please visit <https://www.cfnova.org/grants-and-scholarships/grants/community-investment-funds> to learn more about the focus areas for each category.
