

**The christopher consultants civil engineering scholarship at the
Community Foundation for Northern Virginia (CFNOVA)**
will grant scholarships **worth up to \$25,000, annually**, to one senior graduating from
Unity Reed High School in 2021
who demonstrates academic achievement and financial need and plans on attending
a four-year accredited university of their choice beginning Fall 2021.

The recipient will receive up to \$25,000 per year while attending the four-year accredited university of their choice, as long as the recipient continues to meet the renewal eligibility requirements. The amount, availability, and number of scholarships may vary from year to year depending on funding.

Eligibility for 2021 Scholarship

The applicant must:

1. Be a graduating Unity Reed High School senior
2. Be enrolling in an accredited university for Fall 2021
3. Plan to study civil engineering, planning and landscape architecture or surveying
4. Exhibit proven leadership qualities
5. Demonstrate financial need

Scholarship Renewal Eligibility Requirements:

Once a scholarship has been awarded, recipients of the scholarship must meet eligibility requirements for the scholarship to be renewed in subsequent years. Those requirements include both GPA minimums and verification of financial need.

Completed applications must be received by **March 31, 2021**. Applications and references must be emailed to cclscholarship@ccl-eng.com.

Scholarship Awards:

Our selection committee will rank the applications based upon the applicant's eligibility, financial need, references, and short answers. The finalists will be invited to an interview in April 2021. Following the interviews, the selection committee will recommend an applicant for scholarship.
