## The christopher consultants civil engineering scholarship

at the Community Foundation for Northern Virginia (CFNOVA)

will grant scholarships worth up to \$25,000 to one senior graduating from

### Unity Reed High School

who demonstrate academic achievement and financial need and plan on attending the four-year accredited university of their choice beginning Fall 2023.

---

**The recipient will receive up to \$25,000 per year while attending** the four-year accredited university of their choice, if the recipient continues to meet the renewal eligibility requirements. The amount, availability, and number of scholarships may vary from year to year depending on funding.

### Eligibility for 2023 Scholarship

#### The applicant must:

1. Be a graduating Unity Reed High School senior
2. Be enrolling in an accredited university for Fall 2023
3. Plan to study civil engineering, planning and landscape architecture or surveying
4. Exhibit proven leadership qualities
5. Demonstrate financial need

### Scholarship Renewal Eligibility Requirements:

Once a scholarship has been awarded, recipients of the scholarship must meet eligibility requirements for the scholarship to be renewed in subsequent years. Those requirements include both GPA minimums and verification of financial need.

**Completed applications** must be received by **April 1, 2023**. Applications and references must be emailed to [katherine.p.mujkic@imegcorp.com](mailto:katherine.p.mujkic@imegcorp.com).

### Scholarship Awards:

Our selection committee will rank the applications based upon the applicant's eligibility, financial need, references, and short answers. The finalists will be invited to an interview in **April 2023**. Following the interviews, the selection committee will recommend an applicant for scholarship.
